1. Do you think Alaskans are served well by the transportation system today?

No.

2. What do you consider the most critical transportation issues facing Alaska – today and into the future?

Ferry system operation. Connecting highways.

3. Overall, do you agree with the direction set by this plan? If you disagree, what direction would you like the plan to set?

No. Ferry system operation as a business.

4. Based on the plan, what statewide priorities would you recommend for transportation investments (we are not looking for project-specific priorities)?

High speed connecting ferries

5. Of the actions listed, what would you consider the most important?

Highway and bridge tolls.

6. Are there additional actions that would strengthen the plan? If yes, please specify.

Coordinate ferry schedules with travel needs
